

DIRECTIONS - WITCH MASK

1. Print templates onto paper.
2. Cut templates out using scissors.
3. Trace shapes onto black or other colored cardstock.
4. Using a hole punch or poke small holes on each side of the eyes.
5. Cut out eye and mouth shapes - make bigger for smaller kids
5. Tie string or elastic to each hole - length should be at least elbow to fingertip.
6. Have fun scaring everyone!
